Btect

7 sgpa

Achievements & Awards

NATIONAL CADET CORPS (NCC) The National Cadet Corps is the largest uniformed youth organization, with its Headquarters at New Delhi, India. It is open to students on voluntary basis. NCC is a tri-services organization, which includes the Army, Navy and Air Wing, engaged in grooming the youth of the country into disciplined and patriotic citizens. And I am proud to be a part of it.

Projects

1. Hangman game:

Built a game that selected a random word from alist and the user has to guess the word in particular attempts.

Technologies used: Python

2. Robot:

Technologies used: turtle graphics, python

3. Tictactoe game:

It is **a two-player game**. In this game, there is a board with 3×3 squares. In this game a player can choose between two symbols with his opponent, the usual games use "X" and "O". If the first player chooses "X", then the second player must play with "O" and vice versa.

Technologies used: python

4. Tribute page:

Technology used: HTML, CSS

5. Caterpillar game:

It is a single player game.

Technologies used: python, turtle graphics, tkinter.
